# NINJA ACTION

Borch Textile Group A/S situated in Denmark is a company founded in 1946. In 2015, they had successfully bought over Jyden Workwear A/S, whom is the biggest nursing home in Sweden. Apparently, they are now the biggest hospital wear supplying for Scandinavians country at the moment.

Borch is always a **Green** oriented company and lately, they are into EU Flower label. Penfabric is the only supplier fulfilling the entire **Green** Concept as we are the first intergrated company awarded **Okotex STeP**.

Total sales turnover for Borch SV5032 for 2015-2017 as belows:

2015 -> 575,000m x USD2.42 = USD1, 391,500  
2016 -> 607,000m x USD2.42 = USD1, 468,940  
2017 -> 740,000m x USD2.42 = USD1, 790,800  
TOTAL USD4, 651,240

In line with **Go Green** direction, Borch is expanding their biz with Penfabric not only focusing on hospital wear and uniform, also we have concluded a fresh order for chef wear as below:

Chop no YST3020  
Price USD4.50/m  
150,000m  
Delivery Dec 17 – Mar 18'

We will continue work best in diversifying the business for this customer using various value items.

Thank you.
