## UMBRELLA WITH FAN SPECIALLY FOR YOU!

### PRODUCT DESCRIPTION :-

This umbrella with a cooling fan, isn't just for rainy days. It is great to use under the hot sun and outdoor activities such as golfing, by the beach or even for praying the ancestor by the cemetery..

This umbrella uses UV protected nylon fabric which protect you from harmful UV rays and keeps cool at the same time.

Large umbrella measures width of 41 inches.

Fan works on 4 AA size batteries (not included), which fits into the handle of the umbrella and the fan can be switched on-off at any time.

It has various choice of attractive colors, smart and convenient to use.
